**Internship Description:** The KIELY Internship Program is seeking college students like you that would like to join us on our mission to leave things better than we found them. The program runs from Memorial Day through Labor Day with consideration on semester starting/ending dates.

The program is intended to help college students:

- Develop work skills and knowledge
- Succeed in the construction and engineering industry
- Be a link between a student's educational goals and career objectives
- Lead to full time employment with the Kiely family of companies.

Opportunities include Engineering, Gas and Water Operations, Construction Estimating, and many more corporate office function opportunities. With the guidance of a mentor, you will be challenged with work assignments in your area, producing weekly progress reports and be given a chance to present to our Leadership Team at the conclusion of your internship
