Internship Description: An Intern position with Kiewit provides a hands-on learning experience directly related to the skills needed in a full-time construction career. You will have the opportunity to develop, participate and learn key roles and functions within construction management. Some responsibilities may include, but are not limited to; reviewing shop drawings, submittals, schedules, take offs, pay requests, contract changes and project documentation.

Our mission is to make a difference and we offer opportunities for you to make one too through our construction operations. Whether we're boring tunnels through mountains, turning rivers into energy or building bridges that connect communities, we depend on our passionate, skilled, and safety-obsessed construction professionals to get it done right. You bring your big ideas, commitment to top quality, and an unwavering work ethic. In return, we offer huge career and travel opportunities and the satisfaction of building the next big thing from the ground up. There's a reason Kiewit attracts the best: we offer fast-paced excitement and fulfillment you won't find anywhere else.
