Internship Description: Railroad Construction Company, Inc. (RCC) is a heavy civil, track, building and utility construction company. Based in Paterson, NJ, RCC has multiple office locations for interns to visit including several jobsites where our talented crews are working diligently to improve the Northeast's valuable infrastructure. From flood resiliency to design-build construction, the areas of knowledge within the company span the length of the multiple bridge projects and tunnel improvements, plus a lot more. At RCC they follow and uphold the company motto: Safety, quality, productivity, and having fun! Their intern to full-time hire ratio continuously increases and it's not by mistake. As a co-worker owned company,
